

# GYMKHANA 4X4

WITH GERMAN FIDEL CASTRO  
OFFICIAL DAKAR RUNNER

# ADVENTURES

*Along the way the silence of the journey  
gives way to a spectacular journey*

# GERMÁN FIDEL CASTRO

Juan Miguel Fidel Medero has two Dakar under his belt: one in 2007 on the African stage and one in 2009 on the first of the South American stage, both with arrival at the final ramp. Many years later, motivated by the change of continent and integrated into the ranks of the FN Speed Team, Germán Fidel has participated in the Dakar 2020 in the Arab Emirates getting the 15th place of the test in its category.

# TEAM BUILDING

## EXPERIENCE

In the airport car park guests will be surprised by a battery of 4x4 vehicles of the Volkswagen brand. Each of the vehicles composed of 4 people in the group is a different team and it is a competition of skill. Each of the teams is delivered :

Questionnaire with questions from the area, of the country or of the organizing company  
Fridge with refreshing drinks and fruits  
Set of nuts and dates  
Map of the area  
Digital camera  
Caravan departure until leaving the city and can take a dirt track. The cars leave spatially so that they can interpret the route book that is delivered to them individually.

Customers will drive the vehicles themselves and the route runs through the Agafay Desert and the Lalle Takerkoust, where they will have the possibility

# ALMA BEREBER

## THE AUTHENTIC

In this experience one of the objectives is to get to know the authentic soul of the Berber race, distinguished in North Africa since ancient times.

The Berbers were masterminds of many cooking techniques, the creation of different dialects, some specific types of networks with henna, the very distinguished Berber tea itself and many more things very marked customs throughout North Africa.

On the way, you will visit a Berber house where the great tea ceremony and the views will be in the memory of the guests.

## THE TEST

To win the test they must fill in the questionnaire perfectly by stops during the route and ask the inhabitants of the area, in addition to taking pictures with the camera that is delivered, so that the team that best answers the questions and the team that takes the most original photograph will be rewarded.

Arrival at the restaurant to taste an authentic meal in a unique setting. After lunch, they take the vehicles again and in caravan, they take the tracks of the desert of Agafay to continue with the gymkhana.

*Vehicles designed for you*

## THE AUTHENTIC CHALLENGE

4x4 vehicles are known for their powerful engine and driving versatility in any terrain, therefore they are known as 'All Terrain'. In this experience most guests are surprised by the comfort and ergonomics of this vehicle segment. In addition, during the journey and taking advantage of the large cabin of these vehicles, Guests will enjoy refreshments in the fridge, snacks, dried fruits and dates for their journey.

## LIVE IT AS A GROUP

A series of team tests have been developed for the Challenge, where guests -by vehicles- should consult a road book with different tests to be completed among the companions. Within this road book we can find:

- Map of the specific route for the customer with times and stops.
- Safety instructions and vehicle use, with emergency contacts to contact the organization.
- Try out how 'the best barter', 'the original photograph' and the questionnaire 'What do you know about Morocco?! ', with questions and tests to develop as a team.

*During the test a photo camera is supplied for the test and photographs as a souvenir of the guests*

*Activities Morocco*
